

INVESTING TO SHAPE THE MANKATO AREA FOUNDATION'S CONTINUED SUCCESS

Since 1974, the Mankato Area Foundation has formed a community of invested individuals that believe in the strength of giving. We continue to shape a stronger community through pairing acts of giving with needs. These acts have shaped the Mankato Area Foundation—a permanent, trusted resource—that funds essential programs in our community everyday.

Currently, the Mankato Area Foundation (MAF) is entrusted with invested funds that exceed \$3.2 million and distributes over \$100,000 annually in grants and scholarships focused on our core funding areas of education, culture, recreation, aesthetics and civics in Greater Mankato. Some of our recent contributions include:

- Fallenstein Field and the Miracle League of North Mankato
- Open Door Health Clinic
- Sibley Park Farm
- Children's Museum
- Envision2020
- Theresa House
- CityArt Walking Sculpture Tour

We are proud to offer scholarships to local students toward their post-secondary education by administering funds that include:

- Marlyn R. Heintz Scholarship Fund
- Ogden W. and Jane M. Confer Scholarship
- Dustin Lemke Memorial Scholarship
- Jenny Schugel Memorial Fund
- Thin Film Technology

MAF also administers fiscal agency funds for critical organizations in our community including:

- District 77, Central Freedom School & class2career
- Veterans Memorial Place
- City Center Partnership
- Greater Mankato Growth

OUR VISIONVESTOR GOAL

Mankato Area Foundation fulfills a significant philanthropic role in Greater Mankato and its strategic plan includes growth aimed at increasing its impact in this community. MAF strives to build toward sustainability and invested funds of \$20 million by 2020.

We invite you to help achieve these goals by investing in the Foundation's future. Through an annual contribution to the VisionVestor Fund—a fund designed to support the staffing and operations of the Foundation—you can solidify your community foundation and its worthwhile impact. Become a VisionVestor today.
